Filing Date: July 21, 2006
Confirmation No.: 3175

Amended claim 9 specifies that components (a) and (b) recited in claim 8 are administered systemically while component (c) is administered topically. The amendment is supported by original claim 8 and page 1, lines 18-26 of the specification.

Amended claim 10 specifies that all the components (a) , (b) and (c) recited in claim 8 are administered systemically. The amendment is supported by original claim 10 and page 3, lines 8-9 of the specification.

Applicants respectfully submit that amended dependent claims 9 and 10 belong to the same invention as claim 8. The amended claims include the same chemical components, but narrow the scope of the parent claim through the application of selection criteria that are disclosed in and within the scope of the parent claim.

Claim 16 is new and specifies that the flavanoid recited in claim 8 comprises a mixture of proanthocyanidins and anthocyanidins as disclosed on page 4, lines 28-29.

Claim 17 is new and specifies that the flavanoid recited in claim 8 comprises one or more flavanones as disclosed on page 5, lines 5 and 6.
